

TIPS FOR THE MONTH

* It's time to start thinking spring for best prices on bare-root trees, shrubs, evergreens and fruit trees. Wolfrath's sell thousands of younger or older trees at huge volume discounts. You may order from 1 to a thousand now at special prices and pick them up in April. Check out all specials on our web or call Bob at 920-779-6493 or Bob's cell at 716-2988

* Wolfrath's offer total landscape discounts when you combine your total landscaping package. This includes lawns, hardscapes, edging, stone & mulches, trees and shrubs, and designing. Feel free to browse the many acres of Wisconsin's hardiest and most improved trees and nursery stock and purchase at buy direct prices

* Largest savings are best with orders placed between now and April do to early preparation and digging

THANKS to so many of our past customers who have written us thanking us for our quality of plant materials and the landscaping and design we have done for them. It has been our goal for over 45 years in business to grow and plant top quality plants for our climate and hope to continue long into the future.

**Many will stay close to home in 2010 and enjoy their beautiful yards.
We hope Wolfrath's can help you beautify**
