Contact Bob Wolfrath at 920 716 2988 if you have any question for the correct mix of trees for your hunting land.

*Note: SEMI---Our special semi-dwarf root stock offers quick fruiting trees, growing 12-18' so fencing may be removed in 3 to 5 years. It is also very hardy and productive.

Varieties are subject to change due to availability at time of order

Standard trees grow larger, but may not fruit as early.

Wolfrath's Nursery requires a 50% down payment to reserve your order.

To reserve your order you can mail order form along with a check or by calling and reserving with credit card.
